

your *all weather permanent* garden gazebo

the **WhitePavilion™** garden gazebo will give you protection from the sun, wind and rain and guarantee your enjoyment outdoors throughout the year,
whatever the weather

- ✓ **Translucent canopy** allows soft natural light and gives protection from harmful ultra violet light
- ✓ The silky finish canopy is **100% waterproof**, easy to clean and to remove
- ✓ High quality pvc canopy has an expected life in excess of **10 years**
- ✓ **Added strength** with stylish stainless steel fixings, double bolts and cross bracing
- ✓ **FSC certified** timber supplied from *only* well managed sustainable resources
- ✓ **Environmentally safe** pressure treated timber gives long lasting protection
- ✓ Our **carbon footprint** is offset. On your behalf we sponsor the planting of 5 trees in Ethiopia for every **White Pavilion** garden gazebo we sell
- ✓ **Robust design** can withstand wind speeds of gale force 9
- ✓ **Quick and simple** to install. Supplied flat packed, installation service available
- ✓ **Permanently fixed** to the ground, unlike a tent gazebo, ground bolts included
- ✓ Can be installed on patio paving, timber decking or your garden. Can be **dismantled and re-sited**
- ✓ **Side screens available** with transparent windows or plain side panels
- ✓ **Extend the seasons** or late into the night: lighting and heating option package
- ✓ **Hidden wiring channel** for lights, heater, speakers
- ✓ **Planning permission** is not usually required
- ✓ **2 year manufacturers guarantee**

the modern way to enjoy the outdoors
